

CROSSWORD No. 11903

“Stop right there Tarzan...I can hardly move around up here as it is”

SNAP DECISION No. 001

Use the photos to find the answer: a radical transformation

ATTEMPTATION No. 001

"Upon my soul, is there no Latin word for tea?", mused the French-born, British poet and master of English prose, Hilaire Belloc (1870-1953), who was referring to the familiar beverage produced from the plant *camellia sinensis*. The word **Tea**, however, certainly exists in other languages, where it is known as **Tee** in German, **The** in French, **Te** in both Spanish and Italian, **Cha** in Portuguese, and **Thee** in Dutch; all repeated in the addition sum. And, sorry Mr Belloc, there is no Latin word for tea.

TEA
 TEE
 THE
 TE
+ CHA

= THEE

In the addition sum different letters represent different digits. Rewrite the sum using the following digits:

		E		
1	2	3	7	8
