ATTEMPTATION No. 007

The terms **Dell**, **Dale** and **Vale** are all poetic forms of the word 'valley', exemplified by the location of the spa town in the Czech Republic called Jachymov, in the former German plain referred to as Joachimsthal, or Joachim's Dale, famed for its silver-mine and the silver coin first minted in 1519 called the Joachimsthaler, which was subsequently shortened to 'thaler' or 'taler', the origin of the word 'dollar', first issued in the United States as paper money in 1775, and as a coin in 1792. (In Germany the mark replaced the thaler in 1873).
